LUCID RHINO

Legacy Videos

Are a unique and meaningful way to preserve the stories, lessons, and virtues of loved ones for future generations. These studio-quality visual time capsules feature intimate interviews with cherished elders, allowing them to share their experiences and wisdom in a way that can be passed down for decades to come. Not only are legacy videos a wonderful gift, they are also an important way to document and honor the legacy of our families.

About US

Lucid Rhino is a turn-key production company that streamlines the production process from top to bottom. With over a decade of Film and TV industry experience working with some of the biggest networks like Disney, NBC, FOX, PBS, and many more. Lucid has also produced directed content for celebrities such as Bruce Willis, Justin Bieber, Lebron James, and the Rock just to name a few. With cinema-grade production gear, a seasoned film crew, and award-winning editors, no story is too little or too grand to be captured by us.

Meet Our Team

Trevor Rothman

Trevor is a producer and director from Denver, Colorado who works in television and film production in Los Angeles. Trevor's recent producing credits include *The Masked Singer*, *The Disney Family Singalong*, *Graduate Together: America Honors the High School Class of 2020*, *The Masked Dancer*, *The Comedy Central Roast of Alec Baldwin*, and *The MTV Movie and TV Awards*.

Kevyn Delgado

Kevyn Delgado is a Director of Photography born in Ecuador and now resides in Los Angeles, California. He graduated with a BA in Film and Video Production from Brooks Institute in 2015. Recently, Kevyn has shot for networks such as PBS, Television Academy, and National Geographic.

Lucid Rhino

After you have decided to book a legacy session with us, we will work with you to schedule a shoot date that is convenient for the subject.

Prior to the shoot, we will provide you with materials that include frequently asked questions, an outline of what to expect on the day of filming, and sample questions that may be asked during the session.

This will ensure that you are well-prepared and can make the most of the opportunity to create a lasting legacy.

What We Do

Preserving your legacy

- *Today**
- *Tomorrow**
- *Forever**

We offer the opportunity to film your legacy video at the location of your choice. Our team will arrive with all necessary equipment, including RED cinema cameras, studio-quality lighting and microphones, to ensure that the final product is of the highest quality. The full video session, including setup and breakdown, will take approximately 3-4 hours, with a 30 minute - 1 hour interview as the centerpiece.

After production is completed, we will bring the footage to editorial where it will be professionally edited and intercut with photos and memorabilia. The final product will be available to you within 2-4 weeks, delivered as a 4K digital file and uploaded online with a private link for sharing with loved ones. We are committed to providing a personalized and exceptional experience for all of our clients.

Thank You
